

## Welcome!

Welcome to the 12<sup>th</sup> Annual Banquet of the Southern Union County Chapter of Pheasants Forever. We would like to express our deep gratitude to the gracious sponsors, merchants, and sportsmen who have generously donated their time, effort, and monetary support to this organization.

These gifts are used by hard working officers and committee members to promote youth programs and habitat development in Union County.

Enjoy this evening and feel good about your contributions to the future generations of pheasants and outdoorsmen.
